Tyler SIS Student 360 Mobile App

Installing Tyler SIS Student 360 Mobile

Download **Tyler SIS Student 360 Mobile** from Apple iTunes or Google Play. The app is free.

- [Android](#) (Phone and tablet)   [iOS](#) (iPhone and iPad)

Logging in

- The first time you launch **Student 360**, search for **Oak Grove R-VI** or **64075**.
- To log in, select the **Staff**, **Parent**, or **Student** tab.
- Use the **same User Name and Password** that you use to log in to the Parent Portal on your computer.
- Use the checkbox (Android) or toggle switch (iOS) to save your User Name if you want, then tap **Login**.
- At the top of the login screen, the gear icon provides access to the settings screen. If you chose the wrong school you can change that here.

Navigating Tyler SIS Student 360 Mobile

- - return to the list of students (hidden if logged in as a student, or if only one student is found in the household)

- - refresh the screen

- - log out of Tyler SIS Student 360 Mobile.

- **Student List View:** View all students enrolled.

- **Student Summary:** View all enabled areas of the student information. (Some features will not show up on the app based on our district settings).

- **Announcements:** View building announcements (some buildings provide announcements through their weekly newsletters and will not show here).

- **Assignments:** The Assignments screen has two views: Upcoming/Missing and By Course. Some assignments may display a color-coded status:

  Due Tomorrow: green   Due today: orange   Missing: red
  No score yet recorded (not marked missing): blue

- **Attendance:** Shows atttendance history. Sort by day, class, etc.

- **Grades:** Shows current grades by subject, term, etc.

- **Contacts** – Shows contact information for the student. Note that Household and Additional contacts will only display if you are a contact of that type.
